

LOCAL AND GENERAL NEWS

Dr. Myers has charge of the Cholera Hospital.

The Malulani came in last night—J. O. C. is back again.

The Time is out to-day. The illustrations and writing are as good as ever.

The reverend Mr. Birnie will hold forth in the Central Union Church to-morrow.

Captain Robert Parker is the most active and energetic member of the Board of Health.

Drs. Myers, Rogers, Smith and Wayson are the official cholera-killers of the Board of Health.

The ball game between the Stars and the Unknowns this afternoon will be highly interesting.

The pleasure-seeking community will visit the suburbs to-morrow and take no notice of the cholera.

There is no reason to be afraid. Even if the Asiatic cholera is here there are no reasons for undue fear.

The Australia will be here next Monday. She will leave on Wednesday the 5th of September and will possibly take a mail.

The Warrimoo arrived last evening. She was kept outside and a strict quarantine was insisted on. She left this afternoon.

The Fairchilds are spending their honeymoon at Ahuimannu, the beautiful country residence of the Danish Consul, Mr. Henry Macfarlane.

The churches will do their regular business to-morrow. The usual service will be conducted in the Catholic and Anglican cathedrals.

The Board of Health ought to issue bulletins every morning and evening and let the public know how many new "cases" are around. It would stop talk.

In season or out of season every family should have a bottle of DIARRHEA MIXTURE in the house. There is none better than DWIGHT'S, which has been dispensed by the HOLLISTER PHARMACY for the last twenty years.

The many friends of Captain Fuller's family were very pleased in hailing back to Honolulu Mrs. Fuller and her children. The Fuller family will reside at Nuuanu avenue, in the residence formerly occupied by Minister Stevens.

The building alterations are now finished, and N. S. Sachs has just opened an elegant line of New Goods; the New Muslins and Organdies must be seen to be appreciated; they are of the latest design and the colorings are very dainty. Don't fail to see them.

Take Notice.

The Board of Health Office will be open day and night, week days and Sundays, till further notice. Competent physicians are always in attendance. Report every suspicious case at once. You will thereby confer a favor on the Board of Health and help the community to resist the ravages of this dread disease.

Our Plague.

Twelve cases of the cholera have occurred since the 29th. One died on the Bennington—no further cases. Four died by 3 p. m. yesterday. One died at 6.35 this morning. Only one case has been reported since 1.40 this afternoon. All with the exception of the Bennington man are Hawaiians.

Speculation.

Jim Brown he kept a painter's shop in a little country town, And worked for all the neighborhood For many a miles around.

He used the door of his shop When'er a brush he'd clean; And soon it was a brilliant mess Of smears of red and green.

Erstwhile there came a city man, Who bought that gaudy door. For which he gave just fifty cents, And not a nickel more.

He took that gay door back to town, With its gorgeous hues in chunks, And sold it as a Beardsley gem For seven hundred plunks.

Ladies purchasing Dress Materials at L. B. Kerr's, are loud in their praise of both style and quality. The White Costumes and Scotch Gingham are unequaled, the 45 inch Cashmere at 20 cents in all colors is likewise a teaser.

REGULATIONS OF BOARD OF HEALTH.

1. From and after this date all persons are forbidden to use any water from the Nuuanu stream, or Honolulu harbor, or from bathing in said stream or harbor, from throwing anything, liquid or solid, into said stream or harbor, or permitting any liquid or drainage flowing into said stream or harbor.

2. The sale, in the District of Honolulu, of fish, shell-fish or any product of the sea is prohibited.

3. Until further orders no passengers or freight will be allowed to be conveyed from the Island of Oahu to any other island of the group.

4. No letters or mail matter shall be taken from the Island of Oahu to any other island of the group, excepting from the General Post Office in mail bags; no mail matter shall be allowed to leave the Post Office until thoroughly fumigated.

5. The manufacture of poi is prohibited in that portion of Honolulu bounded by Nuuanu street on the East, Judd street on the North, and on the West by a line drawn from the corner of Judd and Liliha streets, down Liliha street to the sea.

By order of the Board of Health

WILLIAM O. SMITH,
President Board of Health.
